

Basic Angel Wing Fold w/Snappie: This fold works well for newborns and infants who are not yet on solid foods.

1. Fold diaper along seams to form a pad

2. Fold portion in front to adjust for baby's size

3. Unfold back to sides to form 'wings'

4. Place diaper under baby and bring the front up between the legs

5. Bring the two wings around from the back and fasten with Snappie

6. Velcro cover around baby

Newspaper 'Boy' Fold: This fold works well for baby boy's of all ages since it provides more absorption in the front.

1. Fold diaper along seams to form a pad

2. Fold portion in front to adjust for baby's size

3. Place diaper in cover (Angel wing optional) and Velcro.

'Girl' Fold: This fold works well for baby girl's of all ages since it provides more absorption in the middle.

1. Fold diaper opposite the seams to form a pad

2. Fold portion in front to adjust for baby's size

3. Place diaper in cover (Angel wing optional) and Velcro.

To see videos of these folds and others we recommend you visit www.YouTube.com and type in 'cloth diaper folding'
